**This form must be completed to receive the wholesale discount. Without this form, you will pay full retail price.**

Availability is subject to change, so check with us for an updated availability list. We do take orders and reservations to help ensure you have your needs fulfilled. Please talk to us about this option.

**Appointments are required for all pickups. Please do not come to the nursery without an appointment.**

Due to the diseases that affect citrus, we do not allow visitors inside the nursery. As such, selecting your own trees is not an option.

Shipping options are available via UPS or LTL, depending on quantity ordered.

Orders must be prepaid before shipment or paid at time of pickup.

We accept Visa, MasterCard, Discover and American Express. We also welcome cash and checks. Returned checks will be subject to a \$35.00 charge.

We look forward to the opportunity to be your supplier of citrus trees. Thank you for your order.
